SUBJECT: Determination Regarding Attendance by NASA Employees at the American Institute of Aeronautics and Astronautics (AIAA), National Capital Section (NSC) Luncheon on December 7, 2012

On December 7, 2012, the American Institute of Aeronautics and Astronautics (AIAA), National Capital Section (NSC), a non-profit organization under 501(c)(3) of the Internal Revenue Code, will host a luncheon at Pier-7 Channel Inn, in Washington, D.C., from 11:30 a.m. to 1:30 p.m. NASA Deputy Administrator Lori Garver will be speaking.

The luncheon will be widely attended by Federal officials from various government agencies, and representatives from the legislative branch, academia, industry and the general public. Approximately 80 people are expected to attend. The estimated cost of the luncheon, which includes all food and beverages, is \$20.00 per person. I find that the reception meets the requirements of a "widely attended gathering" as defined in 5 C.F.R. § 2635.204(g)(2).

I further determine there is an Agency interest in having NASA personnel attend the event because it will further Agency programs and operations. Attendance at the event will provide NASA employees an opportunity to discuss the mission and other NASA programs with representatives of the communities participating in the event.

Accordingly, NASA employees – including non-career appointees required to sign the ethics pledge under Executive Order 13490 – who have been invited to attend may accept free attendance at the event.

NASA employees whose duties may substantially affect the sponsor, such as by way of procurement duties, should seek an individual determination pursuant to 5 C.F.R. § 2635.204(g)(3)(i) regarding participation in this event from their local ethics counselor.
